Family, Friends, and Colleagues of Lila Jacobs,

Associated Students, Incorporated would like to extend our condolences to the family of Lila Jacobs and to the members of the organization she led, the California Faculty Association. We are saddened to hear of her passing and know that she will be greatly missed.

Sacramento State has lost a great advocate and friend. Dr. Jacobs was a passionate advocate for faculty and students, never faltering in her pursuit of a better California State University system. She touched the lives of many students and inspired many to stand up for what is right. It was her passion and commitment to the CSU system that will never be forgotten.

Through her dedication and advocacy on behalf of faculty and students, the voice of the underrepresented was more strongly heard. Dr. Jacobs devoted her time and energy to ensuring a quality education in the CSU, as both President of CFA and as a Professor at Sacramento State. We thank her for her commitment and dedication to Sacramento State and to the CSU system.

She will always remain in our hearts, and may her spirit and advocacy remain in all those that follow in her footsteps.

Sincerely,

Roberto C. Torres
President
Associated Students, Inc.
