Complaint Allegations

Specify the sections of the ASI Elections Code you allege were violated and by whom, or other conduct and by whom, which allegedly unfairly affected the election. Remember that only one candidate may be named. Please be as specific as possible.

I have witnessed that the ASI Elections Officer participated in campaign interference. On snapchat, I have witnessed the current ASI Elections officer, Tyler Gardner, rip down a poster that was a poster in support of no-confidence, I am assuming after analyzing the video.

On another date, I witnessed another individual, Aaron Gilbert O'Neil, Ms. Andrade-Dominguze's and Mr. Conejo-Gallegos's campaign worker and supporter, aggressively rip down posters from a billboard. I was also informed that multiple students witnessed this, upon which I have receipts of communications.

This is in direct violation of Section H of the election code: *No independent candidate, Presidential Ticket, organization, Interested Student, or individual shall interfere with the campaign of another candidate. Interference includes, but is not limited to, unauthorized removal of campaign posters, banners, or other materials, or other disruption of campaign activity.*

If Ms. Andrade-Dominguez & Mr. Conejo-Gallegos believed that the material which was up, which I had the chance to see at some point, was defamatory or slanderous, they must submit a complaint to the election complaint committee to determine that violation. However, the candidates decided to take matters into their own hands with great disregard for the rules and the democratic process instructing their campaign workers and supporters, one of who, to the astonishment of many, was the ASI Elections officer who must uphold objectivity and unbiased behavior . This is also a very serious violation and most likely changed the path of the election process.

Evidence

Please provide a brief summary of the oral and written evidence in support of this complaint including the names of witnesses you expect to testify.

Evidence including screenshots, photographs, and receipts of communication.

Remedy

Please propose one or more remedies that you find to be appropriate, and which the Elections Complaint Committee is authorized to grant under part X of the ASI Elections Code.

Per the ASCSUS election code, violation of Section H, if found to meet the burden of proof, are met with immediate disqualification. Per the Fair Hearing plan, Section C: Remedies/Burden of Proof, "If the Elections Code specifies a remedy for a specific violation, the Committee shall only have authority to determine whether a violation has occurred and must impose the remedy stated in the ASI Elections Code." In the case of the former, which, again, would be disqualification.
