Complaint Allegations

Specify the sections of the ASI Elections Code you allege were violated and by whom, or other conduct and by whom, which allegedly unfairly affected the election. Remember that only one candidate may be named. Please be as specific as possible.

In the campaigning canva presentation made by the ASI Presidential ticket, Mr. Conego-Gallegos, the EVP candidate, had his ASI Badge worn, with the ASI logo on it. This is a very serious violation, as the election code strictly prohibits in : *“ASI resources, materials, websites, logos or other digital items, which ASI has sole rights to shall not be used in any campaign materials unless explicitly approved by the ASI Board”* In the same spirit, my assumption in regards to not allowing the use of ASI resources, including logos, is to ensure a fair-level playing field.

Evidence

Please provide a brief summary of the oral and written evidence in support of this complaint including the names of witnesses you expect to testify.

Evidence including screenshots which will be provided to the election complaint committee upon hearing.

Please attach any documentation here*

Remedy

Please propose one or more remedies that you find to be appropriate, and which the Elections Complaint Committee is authorized to grant under part X of the ASI Elections Code.

Per the ASCSUS election code, violations of Section F, subsection k if found to meet the burden of proof, are met with immediate disqualification. Per the Fair Hearing plan, Section C: Remedies/Burden of Proof, "If the Elections Code specifies a remedy for a specific violation, the Committee shall only have authority to determine whether a violation has occurred and must impose the remedy stated in the ASI Elections Code." In the case of the former, which, again, would be disqualification.
