D. Center Status

- **Successful Day on the Quad Event**
 - Event went smoothly and parent volunteers were a huge help to the success

- **Facilities Update**
 - Most contracts are signed and ready to go right at the beginning of summer session
 - The cost went up significantly for the re-roofing of the annex building
 - Originally the estimation was around \$147 thousand, and now it is at approximately \$227 thousand
 - Must move forward with project so it can be completed during Summer Session
- **CCAMPIS**
 - Sherry Velte went over attendance numbers for the second session for Hornet Family Study Care
 - The Memorandum of Understanding has been created and signed by the Parent and Families Program

- **Open House**
 - Open House was Friday, May 3
 - The event went well
- **Conference**
 - Sherry Velte attended the Program for Infant and Toddler Care (PITC) conference from May 2-4 in San Diego

- The conference was very informative with a big change of child's temperament research; the old research is no longer valid
 - It was concluded that temperament is developmental and changes over time
- **Registrations**
 - Finals Week and Summer registration is complete
 - This year the process was done differently to not allow current families to 'block' days and hours out; we wait until the parents register and then they update their schedule
 - Subsidy will not be available from May 28-June 30 during our summer session
 - Subsidy will be available July 1
- **Center will apply for more state funds**
 - The goal is to have subsidy 12 months (year-round)
 - This may make less space for full-cost and faculty families
