

Green Team Committee Meeting

Summit Room, December 4th, 2023

In attendance:

- Anna
- Laura
- Valerie
- Rosa

Begin: 2:00pm

Old Business:

- Naglene water bottles:
 - o Bottles will be ordered this week.
- Tree planting event:
 - o Logistics of this event were discussed.
 - o Facilities would have to come out and draw lines where it would be ok to plant a tree to avoid hitting any lines.

New Business:

- Earth Day 2024:
 - o Members discussed Green Team having a booth during the Earth Day festivities in Spring 2024.
 - o Members discussed participating in the sidewalk chalk drawing display to recruit students for Green Team Committee.
 - o Members discussed ideas for activities at the Earth Day booth such as providing students with a small plant and a pot with soil so they can take with them.
 - o Members would also distribute flyers for the "Glitter is Litter" campaign and Sac State Sustainability informational flyers.
- Potential Sustainability garden collaboration:
 - o It was discussed that KSSU has a garden in collaboration with Sustainability.
 - o Potential collaboration between Green Team and their garden was discussed.
- Glitter is Litter campaign:
 - o Members discussed potentially making "glitter" balls using seed paper and leaves to be used instead of glitter for graduation pictures to reduce glitter usage.
 - o Funding for these supplies was discussed and chair will reach out to ASI Executive Director, Sandra Gallardo, to discuss funding possibilities.
- Alternative Transportation Fund

- Funds can be used to subsidize the cost of bikes for students and well as provide them with vouchers to purchase e-bikes.

Adjournment: 3:00pm
